Dear Wayne:

Thank you for taking the time to write me regarding Senate Bill 5207. I appreciate knowing your thoughts, and believe the entire legislative process is enhanced when citizens take an active interest in shaping public policy.

Over the next few weeks, I will review and take action on the bills that pass the Legislature. During this time, I will be working with legislators, my policy advisors and others, and assure you that I will take your comments into consideration as I formulate my decisions.

As action is taken on a bill, you may check its status at <http://www.leg.wa.gov/legislature/> or by calling the Legislative Hotline at 1-800-562-6000. I am required to take action on bills by May 15, 2007.

Once again, thanks for sharing your views with me.

Sincerely,

Christine O. Gregoire  
Governor
