

## **Alaska State Chamber of Commerce 2010 Priority**

### **Encourage Increased Oil and Gas Production**

The Alaska State Chamber of Commerce encourages the Alaska State Legislature and Administration to establish laws, regulatory and taxation policies that will support a significant increase in responsible oil & gas exploration, development and production in Alaska. This includes in-field work on existing resources.

Encourage and support State Legislators and Administration, in cooperation with the industry and federal regulators, to identify and reduce unnecessary costs for new oil production, and create and aggressive investment environment.
