

June 27, 2025

To Members of the United States Congress:

The undersigned organizations urge you to pass a permanent extension of the individual, business, and estate tax reforms in the 2017 Tax Cuts and Jobs Act ("TCJA"). These provisions have been instrumental in growing the economy, raising wages, and creating more jobs.

Before the 2017 tax reforms, the average hourly earnings for production and nonsupervisory workers were growing at a rate of 2.4% per year in 2016 and 2017. After the tax cuts, however, wage growth for these workers increased to 3.7% by October 2019. Thanks to these gains, by April 2020, the average production and nonsupervisory worker was earning about \$1,400 more per year than the previous trend would have predicted.

Now Congress has the opportunity to make these policies permanent as part of the "One Big Beautiful Bill Act." Doing so would provide businesses the certainty and stability they need to make the long-term investments that drive growth, accelerate productivity, and increase prosperity across all segments of the economy.

Sincerely,

National
